A warm welcome to you all for a One-day National Webinar on "Seventy Years Journey of Indian Constitution and Forty-Seven years of Kesavananda Bharati Case" which is being organized by the Department of Political Science and IQAC of Government Degree College, Seethanagaram under the supervision of our beloved Principal, Dr. Tirupanyam garu. Before starting the session, I would like to share a few things about the webinar.

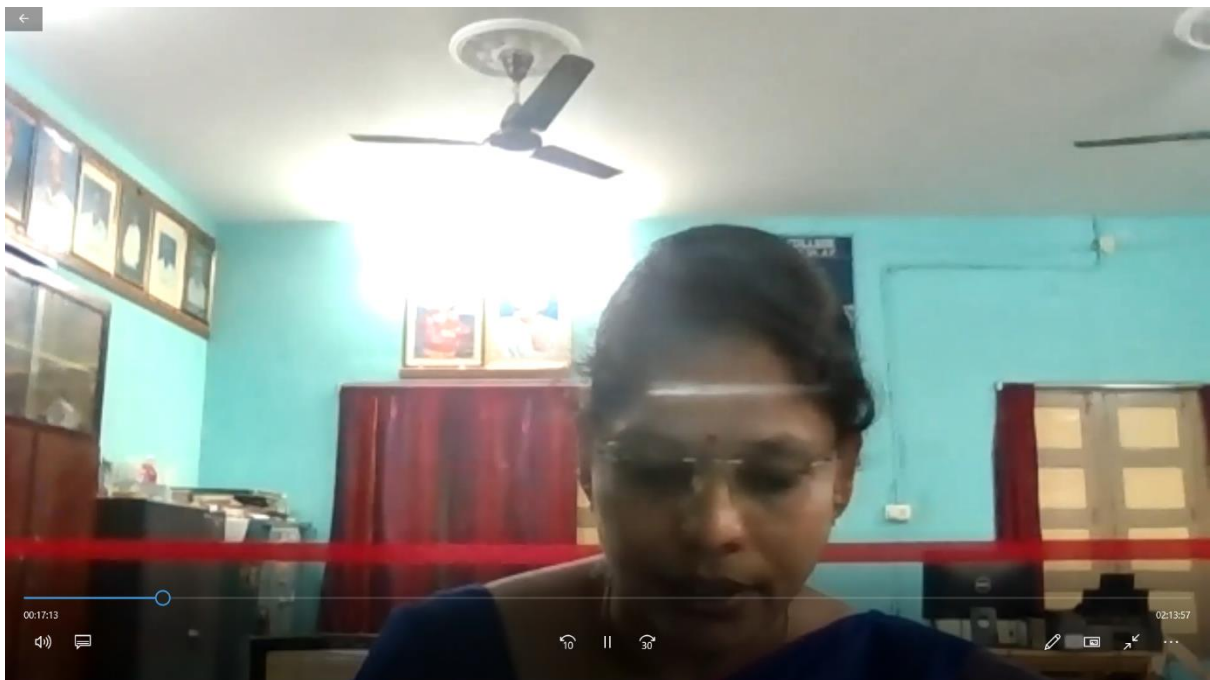

The Constitution of India came into force on 26th January, 1950. At the time of its adoption, the Constitution contained 395 Articles,22 parts and 8 Schedules and was about 145,000 words long, making it the longest national Constitution to ever be adopted. Every Article in the Constitution was debated by the members of the Constituent Assembly, who sat for 11 sessions and 166 days to frame the Constitution, over a period of 2 years and 11 months and 18 days. At present, there are 465 articles,25 parts and 12 schedules.

Keshvananda Bharati is a landmark case and the decision taken by the Supreme Court outlined the basic structure doctrine of the Constitution. The decision which was given by the bench in Keshavananda Bharati's case was very unique and thoughtful.

In order to recapitulate the Indian Constitution and its significant cases, Government Degree College, Seethanagaram desires to conduct a national webinar on this occasion. For this we opted Dr.B.V.V. Bala Krishna garu and Dr.N.Rajasekhar garu as the Speakers for today's webinar. I hope all the participants will benefit from this webinar.
