(ODF)

**Swachh Bharat Mission (SBM), Swachh Bharat Abhiyan, or Clean India Mission** is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. It is a restructured version of the Nirmal Bharat Abhiyan launched in 2009 that failed to achieve its intended targets. Phase 1 of the Swachh Bharat mission lasted till October 2019. Phase 2 will be implemented between 2020–21 and 2024–25.

Initiated by the Government of India, the mission aimed to achieve an "open-defecation free" (ODF) India by 2 October 2019, the 150th anniversary of the birth of Mahatma Gandhi. The objectives of the first phase of the mission also included eradication of manual scavenging, generating awareness and bringing about a behavior change regarding sanitation practices, and augmentation of capacity at the local level. The second phase of the mission aims to sustain the open defecation free status and improve the management of solid and liquid waste. The mission is aimed at progressing towards target 6.2 of the Sustainable Development Goals Number 6 established by the United Nations in 2015.

## SWACHH BHARAT 6-11-2021

Government Degree College - Seethanagaram conducted an awareness program on Clean and Green on 6th November, 2021. The main intention of the program is to create awareness among the students and staff regarding the cleanliness and hygiene. The program was organized by the NSS unit of the college. Sri. S.Rajendra Prasad the NSS co-coordinator designed the program. DrD.Chitti Babu, the Principal of the college acted as the president of the program. He explained that Cleanliness and Hygiene are not only for our personal belongings or our homes, we need to make sure to keep our surroundings clean wherever we go. And Clean India and Green India are the two sides of one coin, i.e., sustainable development in India. The purpose of this campaign is to clean their surroundings. We also maintain our campus plastic free. The students collected all the plastic material in the campus and throw outside. All the staff and students gave their support to this wonderful program to conserve the ecosystem.
