Affiliated to Aadi Kavi Nannayya University  
Opp K.G.N.M. Trust, Purushottapatnam Road, Seethanagaram

## **SOLID WASTE MANAGEMENT**

### **OBJECTIVES**

The main objective of the solid waste management system in the campus is to promote the Environment Management and Conservation in the College Campus. The purpose of the current available system is

- ❖ To identify, quantify, describe and prioritize framework of Environment Sustainability in compliance with the applicable regulations, policies and standards.
- ❖ To introduce and aware students to real concerns of environment and its sustainability
- ❖ To secure the environment and cut down the threats posed to human health by analyzing the pattern and extent of resource use on the campus.
- ❖ To establish a baseline data to assess future sustainability by avoiding the interruptions in environment that are more difficult to handle and their corrections requires high cost.
- ❖ To bring out a status report on environmental compliance.
- ❖ Composting and recycling are the methods adopted by the institute.

### **IMPLEMENTATION**

The total solid waste collected in the campus is 600 Kgs during the year from 2018 to 2023. Waste generation from tree droppings is a major solid waste generated in the campus. However it also includes papers and bottles which is segregated at source by providing separate dustbins for Bio-degradable and Plastic waste. The recycled solid waste is handed over to the local Panchayath for further usage.
